Hear the word of the LORD,
O ye nations, and declare it in the isles afar off... Jer. 31:10

January-February 2019

Dear praying friends and supporting churches,

We are praising the Lord for another good trip to Cuba since our last prayer letter. I traveled to Eastern Cuba and preached five times in four churches. I also spoke at a youth conference attended by young people from Baptist churches in the area. At the end, several young people gave testimonies about how God worked in their lives during the conference. The Cuban pastor we are assisting in their church planting efforts near Miami and his wife went with me on this trip. He has been instrumental in opening doors of opportunity with his many contacts in Cuba. We filled our luggage with Bibles and with as many items of a humanitarian nature as possible to try to be a help and a blessing to Christians in Cuba.

We are thanking the Lord for the opportunity to have travelled five times to Cuba this year. Our goal is six trips for 2019. During trips in 2018, we brought a total of six laptops this year for the use of pastors and preachers in training. We have Bible institute material and Bible study helps in different formats (text, audio and video) loaded on them as well as on flash drives. After bringing all the ones donated to this ministry as well as one we owned for personal use, we are out of laptops. Several people we know have indicated interest in providing laptops. Pray that they will be able to follow through. If you would like to donate a working laptop, please contact us.

The church we are helping start in a predominantly Cuban area near Miami is in need of a more adequate place to meet. This is because the place where we are currently meeting not only does not provide room to grow, it is also for sale. Please make this a matter of prayer.

Thank you for your prayers and support. *The effectual fervent prayer of a righteous man availeth much.*
James 5:16
