April, 2021

Dear praying friends and supporting churches,

We thank the Lord that enrollment has continued to increase in our Bible institute. The enrollment is now in the thirties for the first time in our main location where we record classes, not counting students in extensions in five countries. We recently took down two walls to provide more adequate classroom space.

Since our last newsletter, Brother Ellison and I traveled about four hours south of the Mexican border where we preached in two churches and finalized training for a new seminary extension there. The extension has now been started, with the majority being pastors who never finished (or started) formal ministry training. Over the last two months we have been training two pastors in Lima, Peru through video conferencing who will be partnering together to start a seminary extension in one of their churches. They are scheduled to begin classes in May.

Even though there are some restrictions in place in Mexico due to the pandemic, we had peace about going ahead with our annual training conference in Río Bravo in February. We proceeded by faith and averaged over 100 attending the evening sessions, with some less in the morning. Over 80 completed all 12 hours of instruction on personal evangelism, discipleship, church planting and leadership. Praise the Lord!

Thank you for your prayers and support.

For souls,

Calvin & Jennifer George

We are still waiting on the Lord for the right timing to resume trips to Cuba. At this point it is still too restricted due to the pandemic.

Prayer requests:

1. Wisdom as the training ministry continues to expand.
2. That in the Lord's timing he would provide more teaching staff for the seminary and a larger facility in a flood-free zone.
