February 2026

Dear praying friends and supporting churches,

We started the new semester last week at our seminary on the Texas/Mexico border with a modular course that I taught on the doctrine of the church in Spanish, while Dr. Greg Howell, (a board member of Frontier Baptist Missions and pastor for over 30 years) taught a course in English on the End Times. This week we start with regular courses that run through May. The newest extension our seminary approved is located at a church in Argentina not far from where I grew up, being a church we had fellowship with in the 1980's. Later this week I travel to Mexico for three days to preach a missions conference combined with a graduation at an extension of our seminary.

Last month the Lord allowed me to finish a 230-page book in Spanish on the history of biblical and historical fundamentalism. I taught a course on the topic a few years ago in our seminary, and I became motivated to do more research and write the book upon realizing there was no book on the topic in Spanish to use as a textbook. If today's fundamentalists are ignorant of its history, the next generation is at great risk of despising and abandoning fundamentalism altogether. In March, I will be teaching a modular course on the topic in a Bible institute in Mexico.

At FBMI we interviewed four new missionary candidates since the beginning of the year, and two more new applications were submitted last week. The largest independent Baptist church in Mexico contacted us last year, and as a result has been recommending missionaries sent out of their church to apply to our board. At the rate we are going, we project growing to over 100 missionary families before mid-year. We would appreciate your prayers for wisdom as our small office staff serves these missionaries and the local churches they represent.

Thank you for your prayers and support.

For souls,

*Calvin & Jennifer George*
